EDUCATION

2021 Savannah College of Art and Design, B.F.A. in painting

EXPERIENCE

- 2021 TOMINTOUL AND GLENLIVET LANDSCAPE PARTNERSHIP - Tomintoul, Scotland
Independent Film Maker
A film made for the Tomintoul and Glenlivet Landscape Partnership as a celebration after a 6-year project working with the Lottery Heritage Fund to bring together the community, improve the landscape and protect the history of the surrounding land home to one of the highest villages in the Highlands.
- 2020 BLAST! FILMS - London, England
Assistant in post-production
Assisting in the post-production work of 'Secrets of the Museum', a BBC television series on that shows the work of the curators and conservators behind the scenes at the Victorian and Albert Museum in London.
- 2018 WILD HEART CONSERVATION – Limpopo, South Africa
Intern
Working at a White Rhino conservation camp in Limpopo, South Africa (6 months), from which the inspiration for much of my work has come.
- 2016 JUPITER ARTLAND - Edinburgh, Scotland
Assistant
Working on the full day education visits guiding children through arts and crafts projects and showing them around the grounds. Assisting in the administration office to help archive pieces and work on the website.

SOLO EXHIBITIONS

- 2019 E. PARK AVE, Savannah, Georgia
'Exhibition'
A self-curated solo show on the importance of our wildlife and conservation with a focus on South Africa and anti-poaching.

EXHIBITIONS

- 2019 AVIVSON GALLERY - London, England
 December Show - Photography
- 2019 ALEXANDER HALL - Savannah, Georgia
 SCAD Open Studio

AWARDS
